

# Relicensing Education (RLE)

## Seminar Guidelines and Procedures

## Introduction

The Manitoba Real Estate Association (MREA) is a non-profit society representing the interests and concerns of licensed REALTORS® in Manitoba. Our membership includes over 2200 real estate professionals and three real estate boards in all regions of the province.

The Manitoba Securities Commission (MSC) is mandated to protect the public interest by ensuring that registrants act within a professional framework that promotes ethical conduct and integrity and strengthens consumer trust and confidence.

All registrants in Manitoba are required to complete six (6) hours of relicensing education through a combination of three (3) hours in-person classroom learning and three (3) hours of online computer-based learning. During the 2018 calendar year, MREA will deliver the MSC-approved classroom seminars in several locations across Manitoba

**Note: MREA's learning management system will provide the platform for the required online training portion. Registrants are required to complete the in-person classroom portion of RLE 18 prior to the online portion. The online computer based learning will only be available for completion during the 2018 calendar year.**

Failure to successfully complete both parts of the Relicensing Education (RLE) for the given year may result in purchase of the RLE course materials and the writing of a closed-book examination.

The RLE program is designed to deliver current and comprehensive information, and to ensure that registrants are provided with seminar materials for future reference. RLE is in place to enhance consumer protection, further the professional image of registrants, and mitigate potential claims against registrants.

13. Seminar course books will be issued at registration; all other supplies (e.g., pens and paper) must be provided by the registrant.
14. To minimize disruption and ensure full attention, all electronic devices should be set to silent or vibrate, side conversations are not permitted during the session, and attendees should show a raised hand to ask questions.
15. Newspapers, magazines, and books other than the supplied seminar materials are not permitted in the classroom.
16. Sessions may be monitored for any inattentive or disruptive behavior (such as use of electronic devices, side conversations, etc.). Non-compliance may result in the responsible individual(s) losing credit for the RLE seminar and/or writing a closed-book examination at a cost of \$400.00 plus GST.
17. The privacy of registrants will be protected by MREA. No information will be communicated to a third party without the express written consent of the registrant concerned (other than required by law).
